

Professor Doctor Jetpack

Press Kit

Overview

Professor Doctor Jetpack is a skill-focused, physics based lunar lander game in which you embark on a dangerous journey to ... control your jetpack. And to save the world. Alongside the digitally preserved mind of Albert Einstein, a.k.a. "Professor Doctor Jetpack", players explore an intricate cave system of over 85 handcrafted levels, within four distinct biomes. Each biome features a unique boss encounter that will put the players' flying skills to the test.

Features

- Physics based balancing game
- Fun to learn and hard to master
- Atmospheric pixel art
- 85+ handcrafted levels
- 4 unique bosses
- Unlockable and upgradable equipment
- Casual mode: Jetpack with "training wheels"
